Subj: Freedom of Information Act (FOIA) request for documents  
Ref: BPA FOIA format used herein

20 April 2005

From BPA - *A Freedom of Information Act (FOIA) request must contain the following elements:*

**1. A statement that this is a request under the Freedom of Information Act.**

This request is made under the Freedom of Information Act for documents.

**2. A reasonable description of the documents sought.**

The Wedson Substation located near Florence Oregon 97439 is accessed via a county maintained road named Bernhardt Height Road. The documents sought pertain to this road and a proposal by Lane County to build a new road through the Wedson Substation using its current access road which passes within 200 feet of the terminal farm. The documents sought are:

A. All internal and external documents, memo, correspondence, reports, etc. received and created relating to the old and proposed Bernhardt Heights Road from 1980 to the present. Anything in that period pertaining to the access road is part of this since it will be the new road.

B. All procedures and policies pertaining to the establishment of public roads through power company lands and facilities; for instance, documents showing if public roads are allowed/encouraged and if so the specific criteria and the full permitting process with contacts.

**3. A requester's status is needed to help determine the appropriate assessment of fees.**

I am an individual seeking information for personal and not commercial use. I am living in one of the 7 permanent residences using the existing dead-end road to be replaced by the new proposed million dollar dead-end road. I am also an immediate neighbor of the Substation.

**4. A requester must state a willingness to pay for costs resulting from the processing of a request. BPA charges no fee when the processing cost is less than \$15.**

I am willing to pay fees for this request up to a maximum of \$100. If you estimate the fees will exceed this number, please inform me first, so that I can consider increasing the figure.

**5. Tell us how you would like us to contact you:**

My mailing location on Bernhardt Heights Road is given above. I am best contacted with questions via my email of Keith@TheUS.Com while my telephone number is 541-997-1398.
